Subject: Round Table Discussion Regarding Seismic Certification of Electrical Equipment, with a Focus on OSHPD.

Speaker: A panel of representatives from various manufacturers of various electrical equipment, and a structural engineer involved with developing seismic certification approvals. Panel members include the following individuals: **Jim Avery, IEM; John Boro, Cummins West; Bob Formicola, Energy Systems; Jim Hoyt, Harold Wells Associates; Armen Kludjian, Peterson Power Systems; Dave Morse, ASCO; Fred Paul, Eaton Electrical; Jim Sartori, Square D; Marco Scanu, Forell Elsessor Structural Engineers**

Moderator: George Puffett, Cammisa & Wipf Consulting Engineers

Mr. Puffett is a Registered Professional Electrical Engineer in California. He is a principal at Cammisa & Wipf and has been in the consulting business for 20 years, specializing in electrical infrastructure projects with major emphasis on health care facilities in California. Prior to joining Cammisa & Wipf, Mr. Puffett worked for PG&E, specializing in medium voltage distribution. Mr. Puffett has been active in the IEEE for nearly 30 years, with involvement in the San Francisco Section, the Industry Applications Society SF Chapter, and the Power Engineering Society SF Chapter.

Please join us in welcoming our speaker to San Francisco for what is sure to be an interesting and productive session.

Date:	Tuesday March 9, 2010
Time:	5:30 pm (Attitude Adjustment) 6:00 pm (Meeting) 7:00 pm (Dinner)
Location:	Sinbad's Restaurant Pier 2 The Embarcadero San Francisco, CA 94111 415.781.2555 (short walk from Embarcadero BART)
Cost:	\$30 (At the door). Email pre-registration qualifies the registrant for our drawing of an IEEE Color Book at dinner. Please email fsylvester@sfwater.org for reservations and to qualify for the drawing.
Student Members:	\$10 (at the door) discounted cost for first 5 reserved IEEE Student Members.
Contact-RSVP:	Frank Sylvester SFPUC fsylvester@sfwater.org 415.554.1578
