(open hours: 10 AM – 5 PM - come by 3:30)**

Optional Lunch: Noon to 2 PM

Allow 1 to 2 hours to visit CHM – and optionally half an hour for lunch at Michaels

**Special IEEE Member Offer –
Limited to available space**

IEEE Members Day at the Computer History Museum In Mountain View!

First 150 registrations -- \$7.50 for the IEEE Member; \$7.50 each for up to 5 family members!

**See CHM's new exhibit "*Revolution: The First 2000 Years of Computing*" –
a rich, multimedia exhibition that traces the history of modern computing
-- everything from the abacus to the smart phone.**

... fun, informative and thought-provoking, with something for everyone, from technical experts and geeks to curious non-techies who wonder how sophisticated computing technology ended up in, among other places, their microwave ovens. An orientation theater, 19 galleries and five mini-theaters showing high-definition videos produced by the Museum.

Drop in at CHM at any time between 10 AM and 5 PM to tour the exhibits, and the new "**Revolution**" displays.
Print and bring the "ticket" that you will receive after your confirming email.

**The optional buffet lunch (includes chicken, beef, vegetarian) is from Noon – 2 PM
(with salads, rolls, soft drinks, coffee, etc),**
